

## DANIEL HALL

### Daniel is 18 and lives in Newquay

I didn't like school at all and as a result I didn't do very well. I wasn't doing anything in Birmingham, apart from getting into a lot of trouble, so I moved down here to help sort myself out.

I'm really happy that I've got onto the course and my family are really proud. One day I'd like to work abroad in the industry.
