

## **GREG LEWIS**

### **Greg is 18 and lives in Newlyn East**

At school I wasn't very academic so preferred music, sports and cooking. I hated exams and the different 'classes' between the kids. When I left school I went to college but failed my A levels.

Now I feel very appreciative, excited, respected and lucky to be on the Fifteen Cornwall course. It's the opportunity of a life time and I realise I've only got one shot so need to make the most of it.
