

## JAMES NORCOTT

### James is 21 and lives in Cubert

I grew up in Hampshire but moved to Cornwall when I was 8 with my family. I was very athletic at school and outgoing. I was a bit of a joker....I got on with everyone really well. I went to college after school and got heavily involved in music. I played the the drums and used to love playing local gigs. I've been on cloud 9 since getting on the course. It's the most amazing and life changing experience that anyone could have given me. I want to learn as much as I can about catering and build a strong reputation with lots of friends and contacts. In the future, I really want to travel and learn new cultures, adapting the skills and knowledge that I've learnt in the kitchen.
