

LOUISE PARKES

Louise is 22 and lives in Indian Queens

I grew up living in a chalet on the beach in Hayle with my mum and brother. I have a fantastic family and am really close to them. I liked school but it was a struggle at times. I was quite loud and my organisational skills weren't that good!

Since leaving school I have studied art at college and I have a City and Guilds certificate in Life Drawing. I have had 26 jobs but I've finally found the right one! I still can't believe that I'm on the programme and am absolutely elated.
