

## MICHAEL DAY

### Michael is 21 and lives in St Columb Major

I have three sisters and when I was growing up we moved around a lot as my dad was in the armed forces. I was always getting into mischief at school as I didn't like to sit in classes as I get bored easily. When I left, I had a few jobs but didn't keep them, then got into trouble with the police and went to prison. I am excited to have this opportunity to improve my life and one day I hope to be a top chef!
