

NEIL WOODSIDE

Neil is 25 and lives in St Columb Major

I was born and grew up in Northern Ireland. I went into care for a while as I was a bit off the wall and mum couldn't cope. I was kicked out of school and never went back, and then got into drugs which led to me being in and out of jail.

Getting onto the Fifteen Cornwall programme has saved my life and has given me something positive to work towards! I hope that one day, I'll be in full time work, setting up a home of my own and back in touch with my daughter.
