

ROB HANLAN

Rob is 20 and lives in Indian Queens

I'm not very academic and only really liked sports and cooking at school. I've not done anything since leaving school apart from bumming around. I've had no real direction but I'm absolutely elated to be on the course. It's the best thing that's happened to me and I want to give it my best shot. My dream is to be a chef at Old Trafford for Man Utd.
