

SARAH FRANCIS

Sarah is 24 and lives in St Agnes

I grew up in St Agnes which is a lovely place. I wasn't very focused at school and could have done much better if I put my mind to it. Since leaving school I've done a bit of travelling and have worked in pubs and cafes. I'm really excited and honoured to have a place on the Fifteen Cornwall programme and a few years down the line, I hope to be doing some travelling and finally working as a chef in Sydney.
