

SEAN SHIPLEY

Sean is 21 and lives in Newquay

I am originally from Birmingham but moved to Cornwall for a fresh start when he was 13. I got into a lot of trouble growing up –I was arrested many times, and got involved with drink and drugs. I struggled at school as I was diagnosed with ADHD and I got in with the wrong crowd. I was expelled from 3 schools and the only thing I really loved at school was football. I am so excited and proud to have got on the Fifteen course. I have never achieved so much and now I really want to make people proud, especially my mum. I see this as a chance to become a role model for others who find themselves in a similar situation to the one I was in.
