

SORCHA DEAN

Sorcha is 20 and lives in Falmouth

I was born in Cornwall but all my family are from Lancashire. We moved back there when I was 6 months old but returned to Cornwall when I was 7. Sport and media were my favourite subjects at school, and I joined any sports team I could because I loved it so much. After school, I did A levels for 2 years but it wasn't really my thing. I only enjoyed Media and I got a B which was proud moment for me. I feel very lucky and privileged to be on this course and I can't wait to get stuck in. In the future, I would like to work abroad, maybe in Italy where I could snowboard in my spare time and learn the language!
