Specialist Spirits and Liqueurs

Snow Queen Vodka

This fantastic vodka made in Kazakhstan is made completely organically with the purest spring water. Its citrus notes and gentle pepper flavours make it perfect for a vodka martini or just to be enjoyed over ice.

£6

Fifteen Label Bas 20yo Arrmagnac

Delicious walnut and spice flavours with hints of prunes and cocoa. We're very proud to put our name to it!

£9

Don Julio Tequila

Luxurious tequila with layers of zesty flavours and rich caramel. Fantastic to sip over ice.

£8

Ciroc Vodka

Remarkable vodka distilled from fermented grapes. This creates a very different vodka experience with citrus tones and hardly any alcohol burn. Try this over ice with a twist of lime zest.

£6.50

Johnnie Walker Gold Label

The masters of blended whisky, Johnnie Walker hit the nail on the head with this blend of 18 year old whiskies. One sip fills your mouth with hints of honey almonds and spices and a finish that's smooth and lingering. Try it with a rich chocolate dessert or blue cheese.

£12

Millers Gin Westbourne

Millers Gin isn't made like an ordinary gin. When the distilling and hard work is done in England, they take it on a round trip to Iceland to blend it with the purest Icelandic spring water. This creates a stunning gin with strong juniper flavours and a subtle spiciness. We recommend trying the Westbourne Strength that is bottled at 45.5% with our homemade tonic syrup and loads of fresh lime juice.

£5.50

Johnnie Walker Blue Label

This is the ultimate in luxury whiskies. Each bottle is numbered individually and blended with the rarest malts in Scotland to create an exquisite whisky that has to be tasted to be believed.

£24

Talisker 10yo Single Malt

The Isle of Skyes Talisker has a real taste of the sea with a full body, clouds of smoke and a pleasant peppery finish.

£7

Tanqueray 10

A super premium gin with lots of citrus and fruit flavours. The fruit botanicals used to flavour the gin are hand picked and it's distilled four times to create an intense, fresh and smooth finish despite its relatively high abv of 47.3%. We don't think you can get a better gin martini than a Tanqueray 10 martini. Perfect with a mammoth olive!

£7

Special Cocktails

Snow Queen Vodka Martini

Stirred slowly and served dry with an olive or a twist of lemon.

£8

Number 10 Martini

Tanqueray 10 gin stirred with Noilly Prat and served super cold and dry with an olive or a twist.

£8

Pampero Aniversario

Venezuela's finest rum is well rounded and warming with notes of honey, spices and vanilla. Superb served over ice or try our rum fashioned for a smoother slightly sweeter alternative.

£7.50

Rum Fashioned

A deliciously smooth mix of Don PX desert wine, brown sugar, Angostura Bitters and lashings of Pampero Aniversario, all stirred gently and finished with a long twist of orange zest.

£8

Ron Zacappa 23

The worlds best rum, no question! Made at 2300 metres above sea level and aged for up to 23 years in solera barrels in Guatemala. Smooth chocolate with a hint of Christmas spice.

£9

Tequila Old Fashioned
